

39764-D

# Old Craig

## Brown Sugar Strong Ale

Named for our managing partner, Craig Coleman, whose family has been farming hops in Oregon since the mid-1880's. This old style seasonal beer is brewed with brown sugar, offering a candy-like flavor balanced by complex fruit tones and a light hop character. This is a special treat you can enjoy at any time, especially now.

ABV 16.9%      IBU 41
