White Crow

White Stout

This camouflaged stout has everything you love about dark beer; roast character, chocolate and coffee notes, a little smoke, and none of the color. Pouring a light straw color this beer is something that will mess with with your head... in a good way.

ABV 5.8% | IBU 32

Malt: Best Heidleburg, Smoked Malt, Dextrapils, White Wheat
Hops: Columbus, Northern Brewer

Boardman, OR
